

# EXPERIENCE CITYWALK

Savor the taste of freshness at our 25 restaurants.

Nestled within a charming ten-block strip along Florissant Road, the Ferguson Citywalk district is home to 25 flavor-filled restaurants, including 17 unique establishments not found anywhere else. Complementing the area's vintage architecture and walkable, historical neighborhoods, each restaurant serves up a tasty mix of fresh recipes and homestyle favorites. In the summertime, Citywalk also hosts St. Louis' finest twilight concert series, allowing guests a "taste of Ferguson" with a little music on the side.
